

Belfry Music Theatre 2020 COVID-19 Safety Procedures

In accordance with the desires of our patrons' survey responses and comments - the following procedures – subject to modification as the season progresses are effective for the commencement of the 2020 season.

All attendee's temperature will be scanned outside upon arrival prior to entry to the theatre building.

There will be no shaking of hands upon entry or leaving.

ALL patrons will be required to sanitize their hands PRIOR to entering the theatre.

Hand sanitizer will be provided outside and inside the theatre.

The entry and interior doors will be open so as to avoid the necessity of patrons touching the doors.

There will be no congregating in the lobby before or after the performance.

The available seats in the theatre have been reduced until further notice.

→ Your seats may need to be shifted within the same section to be able to separate attendees.

The occupied seats for each group in attendance will not be next to another group.

As the season commences - based upon 90.56% of the survey responses - all attendees, staff and volunteers will be required to wear a face mask at **ALL** times out of respect for the desire of others.

The Belfry Music Theatre will have complimentary face masks available for anyone in attendance.

Patrons are reminded to properly social distance from other non-related patrons, staff and volunteers.

All restrooms will be completely sanitized prior to each performance with CDC approved disinfectant.

There will be no intermission so as to reduce the interaction with other patrons.

At the end of the performance the volunteers will dismiss the patrons by row so as to maintain proper social distance between patrons as they exit the theatre.

There currently will not be a meet and greet after the show with the performing artists.

Refreshments will be served ONLY after the show outside the theatre and will be sealed.
